

SECRETSR/DOB/60 1947

29 April 1960

DECLASSIFIED AND RELEASED BY
CENTRAL INTELLIGENCE AGENCY
SOURCE METHOD EXEMPTION 3B2B
NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

MEMORANDUM FOR: SR/Plans

ATTENTION: ☐ ☐SUBJECT: Tentative Acceptance of U/W Requirements and
Slotting of AEDEPOT Graduates against targets

REFERENCE: SR/Plans Memo dated 13 April 1960

1. At the present time AEDEPOT has ³¹~~34~~ trained agent assets under contract and 13 others who, it is expected, will successfully complete the current training program and will be available for target purposes. The change in target requirements facilitates a broader and more thorough coverage than has been possible previously.

2. It is expected that the current CINCEUR requirements will be covered in the following manner. (Priority is being given to Class I targets and when current agent assets, now in training, are available or surplus agent assets exist, they will be targeted against the Class III priority targets.)

- a. Target SR/6, SR/26 (III), four agent assets. (AEDEPOT numbers 15, 35, 42, 47)
- b. Target SR/7 and SR/27, nine agent assets. (AEDEPOT numbers 48, 49, 50, 45, 11, 23, 27, 31, 36)
- c. Target SR/3, six agent assets. (AEDEPOT numbers 37, 5, 12, 16, 28, 30)
- d. Target SR/2, SR/13 (III), and SR/16, two agent assets. (AEDEPOT numbers 14, 17)
- e. Target SR/4, SR/5, and SR/18, SR/19 (III), eleven agent assets. (AEDEPOT numbers 41, 43, 44, 32, 29, 10, 13, 18, 19, 21, 24)
- f. Target SR/12 (III), one agent asset. (AEDEPOT 3)
- g. Target SR/1 (III), SR/8, SR/9, SR/10, SR/14, SR/15, SR/24, and SR/25, five agent assets. AEDEPOT numbers 1, 9, 20, 22, 33).

SECRET

SECRET

-2-

- h. Target SR/17 and SR/20, one agent asset. (AEDEPOT number 7)
- i. Target SR/11 and SR/21, (one recruited agent asset in 1961)

3. It should be noted that one agent asset is slated against an ALCOM target requirement (AEDEPOT number 46), thus there remain four agent assets (AEDEPOT numbers 26, 40, 51, 52) who are currently not slotted against any specific targets but could be employed against targets in Armenia or the Central Asian areas of the USSR.

4. The above information is for your planning purposes only and can be used as reference material when briefing C/WPS/GLO or other interested parties.

29 April 1960

MEMORANDUM FOR: SR/Plans

SUBJECT: Tentative Acceptance of USCINCEUR U/W Requirements.

REFERENCE: SR/Plans Memo dated 13 April 1960

1. At the present time AEDEPOT has 31 trained agent assets under contract and 13 others who, it is expected, will successfully complete the current training program and will be available for target purposes. The change in target requirements facilitates a broader and more thorough coverage than has been possible previously.

2. All 27 target requirements as presented by CINCEUR in memo from ☐ Chief, WPS/GLO are accepted and can be covered in toto.

3. In the meantime we will be prepared to work on Form 1715 when we receive word that you have been requested to complete the capability forms.

☐ Chief, SR/DOB
